

GENEVIEVE PERRON MIGNERON

FRONTEND DEVELOPER

INFO@GEN-MIGNERON.COM

MONTREAL, QC

I am a front end developer with about 7 years of experience. In the past 4 years, I've been evolving in a Rails environment, while using modern JavaScript frameworks such as React and Angular on the front-end side. I am familiar with unit testing, as well as continuous integration tools.

SKILLS

Frontend

HTML (HAML, slim, erb)
CSS (SASS, SCSS, LESS)
